

Save Family Values: Fight "Peace Dept." Bill

Here is what you can do today to destroy H.R. 808:

1. **Top Priority: Copy this flyer and mail** it to the House of Representatives member from your district plus their 8-10 legislative aides (available at www.truthtellers.org).

2. **Call your member of the House of Representatives and protest** passage of the Dept. of Peace bill, H.R. 808. Call tollfree 1-877-851-6437. Say: "This is more phony anti-hate legislation designed to further the thought crimes agenda of the Anti-Defamation League. This is not the way to real peace."

Yes, there is peace to men and nations who honor God's truth. But for those who try to manipulate reality to bring peace another way, the Bible is clear: "There is no peace to the wicked" (Isaiah 48:22).

Dept. of Peace does violence to Christian values

H.R. 808 would set up an \$8 billion federal dept. to indoctrinate America with radical liberalism

by Rev. Ted Pike www.truthtellers.org

The prophet Daniel foresaw a future one-world ruler, anti-Christ, who “by peace shall destroy many.”

Daniel’s strange vision makes sense when we look at ominous legislation for a new United States “Department of Peace.”

The *Department of Peace and Nonviolence Act*, H.R. 808, was recently introduced into the House of Representatives. It will establish a massive, \$8.39-billion-a-year federal Dept. of Peace, dedicated to “peaceful coexistence.” Such will be based not on Biblical precepts of truth and righteousness but on humanist ones of moral relativism and “tolerance.” In other words, it will appease and compromise with evil while denigrating Christian values. While the “Peace Alliance” seems to be its sponsor the most threatening language of this bill clearly reflects propaganda by the Anti-Defamation League. ADL is the civil liberties arm of B’nai B’rith International -- architect of freedom-stealing anti-hate laws worldwide.

If H.R. 808 is passed, ADL influence will soon pervade every aspect of U.S. domestic life with

liberal educational programs on how to achieve peace and “conflict resolution”—clear down to kindergarten!

The President, Congress, and the military will have to seek the department’s counsel in all decisions regarding war and contentious international relations. A four-year “peace academy” will send graduates throughout the world as ambassadors of “tolerance” and respect for the “alternative lifestyle” of homosexuality.

The Dept. of Peace will emphasize education about hate crimes, and prevention. Review the ADL’s record at www.truthtellers.org, and you will know this means demonizing traditional morality as a source of “homophobic violence,” and exalting homosexuality as a natural, consequence-free lifestyle.

H.R. 808: Orwellian “Ministry of Propaganda”

The Peace Dept. will “provide for public education programs and counseling strategies concerning hate crimes; promote racial and religious and ethnic tolerance.” [Sec. 102 (A)(6)(10, 11)] It will promote such “peace education and objectives at all elementary and secondary schools in the United States...” [Sec. 112 F(2)]

Like the Dept. of Global Anti-Semitism, established in the U.S. State Dept. several years ago, the Peace Dept. is another attempt by ADL to exalt itself as the undisputed ethics teacher of our nation. Since its *Hate Crimes Statistics Act of 1990*, ADL defines for the U.S. government, FBI, and every policeman in America such crucial terms as bias, hate, tolerance, and anti-Semitism—definitions by which society lives, loves, and hates.

ADL now wants even more power to saturate every classroom and governing body with its distorted definition that “hate” equals bias against federally protected groups, especially homosexuals. This definition automatically makes the Bible into hate literature. Those who believe it (Christians) become “haters,” potential hate criminals.

If H.R. 808 passes, such liberal propaganda will exponentially increase, funded by nearly \$8.39 billion of your hard-earned tax dollars every year. That’s **8.39 thousand million dollars dedicated to teaching our children that “love” is tolerance of sodomy** and “hate” is Christian “homophobia,” a psychiatric disorder!

In short, ADL, like its coming messiah, anti-Christ, is using false peace to “destroy many.”
